

# DELAWARE'S COMMITMENT:

## Improving Christina's Wilmington Schools

Governor Carney, the Christina School District, the Christina Education Association, and the Department of Education are working to develop a partnership to improve outcomes for students in Christina's Wilmington schools: **Bancroft Elementary School, Elbert-Palmer Elementary School, Pulaski Elementary School, Stubbs Elementary School, and Bayard Middle School.**

The partnership will be outlined in a Memorandum of Understanding (MOU). The Christina School Board of Education will vote to approve the details of the agreement, which would be implemented in the 2018-2019 school year.

In the proposed partnership, the State of Delaware would provide:

### \$1.5 MILLION: SUPPORTING TEACHERS & STUDENTS

The State of Delaware is committing to invest in services and training that provide supports for educators and students:

- **Supports for educators:** professional learning, training, and pipeline development
- **Supports for low-income students:** non-competitive opportunity grant funding
- **Wellness and wraparound services:** funding to create school-based wellness centers
- **Extending learning time:** funding to help with extended learning opportunities for students

### \$2 MILLION: DUAL GENERATION CENTER

A Dual Generation Center would provide early education and childcare services for children from birth to four years of age, and provide a variety of services, including job-seeking resources and educational opportunities, to the families of those children.

#### For Children Birth to Age 4:

- Early literacy, numeracy, and health services so children enter kindergarten ready to learn.

#### For Parents and Guardians:

- Educational and literacy instruction, GED preparation, job training and placement, and family counseling to ensure both generations are benefiting from stability and improved home lives.

### ADDITIONAL ASSISTANCE

- Building renovations
- Teacher incentives
- Fundraising
- Family Services Cabinet Council
